作者コメント

内容が重いので、絵柄や扉絵は明るく描くようにしています。前作まで着物ばかり描いていたので、今作からの洋服に四苦八苦しています。女の子の洋服は楽しく描いていますがスーツは難しい…。まだまだ修行が必要です。

❀こんにちは、うえりんです!!

みなさまの応援のおかげでマーガレットでの「ハタバラ」が連載一周年を迎えることができました。

ありがとうございます!! ワー! パチパチ!!(←駒井の拍手)

❀前作の「月のしっぽ」以前のマーガレットコミックスのカバータイトルはいつも同じ赤い字体の決まったデザインでしたが、「ハタバラ」からデザインが自由になり、カバーの裏にもイラストが入るようになって、この三巻では、あのキャラがジーっとあなたを見つめています。この背景はコミックスの二倍の大きさで描いたので、ほぼ等身大で印刷には出ない右側も描きました。

ぬかり当日の夜中であることもあって、等身大の望さんはちょっとこわかったです。

Hadashi De Bara Wo Fume

The title means "Stepping on Roses Barefoot".

p35: <haa>

<haa> is the sound of gasping or heavy breathing

p36: Souichirou-bocchama

This is what Komai calls Souichirou as a child. Bocchama is a suffix or title meaning young master, and is reserved exclusively to refer to children.

p37: hanare

Because Souichirou is an illegitimate child, he has to live apart from everyone else in the "hanare". It means a detached building or room, it could be translated as an "annex" but as its size is not specified I decided to be more vague.

p54: waka

This is what Komai calls Souichirou as an adult, meaning (young) master.

祝「集英社インターネットラジオステーション」開局して「Sラジ」内にある「種村有菜のラジオDEシャキ☆」にゲスト出演しました。

パーソナリティーはりぼん漫画家の種村有菜先生です。

素敵な漫画をたくさん描いていらっしゃる上にラジオでのおしゃべりもとても面白く、まさにスーパー漫画家さんです。

「ラジシャキ」では種村先生が漫画の描き方を教えてくれたり集英社の少女漫画を紹介するコーナーで、私が出た回ではテーマが「かっこいい男の人を描こう」というものなので種村先生と打ち合わせしながら男性キャラを描くというかなりハードルの高いことをしてきました。

収録の合間では、ずっと疑問に思っていた漫画の道具の使い方や資料の集め方などを種村先生に教えてもらえてとても勉強になりました。

ありがとう種村先生～♡

TRANSLATION NOTES

p123: reading
The characters on the page are Japanese katakana, a syllabary of simple characters. Kanji are Chinese characters which are far more complicated and numerous. (See wikipedia if you want to know more.)

p125: bancha
Bancha means "course tea". It's the kind of tea largely associated with the lower classes.

p126: norimaki
Norimaki is vinegared rice rolled in nori (dried seaweed), often with other ingredients too.

p127: ojou-sama
A rich young lady, known for being very refined.

p132: oku-sama
A formal way of referring to somebody's wife.

p135: "green man"
Takemoto-san calls Souichirou "boccham", which in this case implies he's very inexperienced

TRANSLATION NOTES

p180: yoroshiku onegaishimasu

This is a very subtle phrase, with meanings ranging from "nice to meet you", "please treat me kindly", "I'm looking forward to working with you", etc. It's hard to translate in this context but it's basically just a ritual courtesy. (Yoroshiku on its own is less formal than the full phrase.)

p196: master

Keiko calls Souichirou "go-shuujin-sama", which is a very formal way for servants to call their master. Komai calls Souichirou "waka" which is slightly different. We don't really have the means to distinguish them in English.

~Name Order~

Just a reminder, all names are in Japanese name order with family name first, personal name last, even with Johnny whose name is obviously western.
